 - Explanation: We have struggled to find qualified individuals to serve as Licensed Practical Nurses in our health rooms and have had to expand our search to the Registered Nurse pool. RN's have college degrees.
- H. New Title I Stimulus Position The administrative staff is recommending approval for the creation of a new Title I position to be funded through the ARRA Title I Stimulus program for 2009-10 and 2010-2011.

Explanation: Title I Stimulus Funding has been used to fund the Literacy Coach position for the 2009-2010 school year. Part of Title I Stimulus dollars can be used to continue positions that would have been affected by budget cuts as long as modifications are made to fit the Title I parameters.

I. <u>Change Order – Pequea Elementary School Masonry Project</u> – The administrative staff is recommending ratification of a change order from Purcell Construction Co. in the amount of \$7,811.96 due to the additional cost of the contractor to pay prevailing wage rates for the Pequea Elementary School masonry project. Payment to be made from the Capital Reserve Fund.

Explanation: The Pennsylvania Department of Labor and Industry ruled that the above project was subject to prevailing wage rates even though the project was bid as a non-prevailing wage rate job. The pre-bid project estimate was less than \$25,000 which is the prevailing wage threshold. The Labor and Industry decision was appealed by the district but the appeals board upheld the prevailing wage determination. The change order compensates the contractor for the prevailing wage rates that were paid. The original bid award was in the amount of 29,760.00.

J. <u>Bayada Nursing Services</u> – The administrative staff is recommending approval of the agreement for "in-school" nursing services with Bayada Nursing Services at a rate of \$40 per hour for a student effective for the 2009-10 school year.
